Seattle LatinX Youth - Artist Highlight

Meet: Lesly Silva

Local Seattle LatinX youth inspires peers to make healthy choices through her creative artwork & talent. Lesly is a 14 year old, creative, musically & artistically inclined teen whom is a driving force in motivating/inspiring those around her like close friends, family and peers, to make healthy lifestyle choices through her art. She has created many great masterpieces that have motivated her siblings to

follow in her footsteps of leading a healthy and positive lifestyle.

Peer pressure is a huge factor in what behaviors a youth may choose to initiate in and many youth need to know it is ok to say no to unhealthy choices like smoking/vaping.
